

Appl. No. 10/604,354
Amdt. dated October 19, 2006
Reply to Office action of September 13, 2006

REMARKS

Allowable Subject Matter: Claims 4 & 5 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5 Applicant has amended claim 1 to include the limitations of claim 4 and the intervening claims 2 and 3 as was stated as being allowable by the Examiner. Claims 2, 3, 4, 5, and 13 are cancelled, and claim 6 is amended to be dependent on claim 1. No new matter is added. Claims 7-9 are cancelled.

10 Similarly, applicant has included new claims 14-18. New independent claim 14 is formed directly according to a combination of original claims 1, 2, 3 and 5 as was stated as being allowable by the Examiner. New dependent claims 15-18 are formed directly according to original claims 6, 10-12, respectively. No new matter is entered.

Advisory Action: The Examiner stated in the advisory action mailed 09/13/2006 that
15 **claims 7 and 16 need to be canceled or rewritten in an independent form.**

Applicant has followed the Examiner's advice by removing claims 7-9 and 16-18 that were included in the previous amendment to place the application in condition for allowance in the above described amendments to the claims.

20 As all claims now pending have been previously found allowable by the Examiner or are dependent upon claims previously found allowable by the Examiner, applicant respectfully requests allowance of the above-identified application and requests that a timely Notice of Allowance be issued in this case.
